UGLY-DELICIOUS RESTAURANT

Our restaurant is in Milan, at
10/a Rossi st.

Conveniently located in an
area also suitable for
children!

In our restaurant we have
two Master Chefs, Adele
Pasello and Alessio Tisato.

CREAMED EGGPLANT

made with ugly but
tasty eggplants and
served with bacon and
langoustines.

GRANDMOTHER APPLE CAKE

made with
ugly but
delicious
apples

Our Menu

In this restaurant we
mainly use ugly food.

We want to show
that although fruit
and vegetables are
ugly, beautiful and
tasty dishes may
come out.

The dishes to your
left are two
examples.
